Starting New Teaching Series –

Book of James

Pastor Staci and I are excited to start something on Sunday mornings that we are passionate about; verse-by-verse preaching and teaching of God’s Word. In April, we will begin and teach our way through the Book of James. The Book of James is a practical book that teaches us how to deal with trials, contentions, and lack of faith. James also teaches us that we can have joy in the midst of our circumstances. The baseline for the book is the importance of faith; faith or the lack of faith can determine the direction of one’s life.

Make sure to join us starting, Sunday, April 7<sup>th</sup> as we start: The Book of James: A Faith That Works! You will not want to miss a Sunday.

See You Sunday!
