Vision Sunday, February 1, 2026

For a second year, we will have our Vision Sunday on February 1st. What is a Vision Sunday? Vision Sunday is about you and me seeing what God is doing in us and through us. We celebrate what God did in 2025 and prepare our hearts for what God is building in 2026.

Having a Vision for how God is working in us and through us is vital for us individually and corporately as a church family. Proverbs 29:18 is familiar to some, which notes, “Where there is no prophetic vision the people cast off restraint, but blessed is he who keeps the law.” Vision Sunday is a day to sharpen and proclaim what God is doing and calling us to in this next year.

Our prayer is that you are encouraged with the amazing things God is doing because the best is yet to come! We can’t wait, plan on joining us for Vision Sunday!

See you Sunday!
