Whatever It Takes!

In May, we have another opportunity to help people know Jesus. As a church, I pray we have and foster a mentality of whatever it takes to help people know Jesus. Because the Church is not buildings, but a movement of people. I like how Pastor Craig Groeschel challenges his church: "We will do anything short of sin to reach people who don't know Jesus."

As a church, we take the presence of Jesus everywhere we go; this means we should be the church everywhere. Our workplaces, social media, schools, and families are all places where we can and should take the gospel to. Whatever it takes to share Jesus will also take different ideas to reach people. A great example is Saturday, May 16th, when Calvary Church's Second Annual Car Show and Craft Fair will be held.

From 8 am until 3 pm last year, we reached so many people who would never have stepped on our property before. We are praying for even more this year, and that they can feel God's presence here. Would you pray for this special event? Would you consider volunteering to serve at the event? Would you invite your family, coworkers, and neighbors to come? We can make a difference! Inviting is not just for the Car Show and Craft Fair, invite others to the Potluck Sunday on May 3rd, or Women's Brunch on May 9th and/or Mother's Day, May 10th. Let's invite! Whatever it takes!

See you Sunday!
